Professor Jean-François Korobelnik

Professor of Ophthalmology in Vitreoretinal Surgery and Head of the Ophthalmology Department, University Hospital of Bordeaux, France

Jean-François Korobelnik is Professor of Ophthalmology in Vitreoretinal Surgery and Head of the Ophthalmology Department at the University Hospital of Bordeaux, France. After completing his medical training at University Paris VII, he was awarded a Master of Science (Diplome d'Etudes Approfondies) and completed his fellowship at Hotel-Dieu hospital in Paris. He has held his professorship at the University Hospital of Bordeaux since 1999.

Professor Korobelnik's clinical research focuses on eye disease epidemiology, macular diseases, including age-related macular degeneration and diabetic macular edema, and retinal detachment, and he is the author of over 170 peer-reviewed scientific publications. He regularly participates in expert advisory board meetings for pharmaceutical organizations, and is involved in numerous institutional studies and industry clinical trials.

Professor Korobelnik served as President of the French Society of Ophthalmology (SFO) between 2013 and 2015, and is a member of several societies, including the American Academy of Ophthalmology, the Association for Research in Vision and Ophthalmology, the American Society of Retina Specialists, the European Society of Retina Specialists (EURETINA), the European Association for Vision and Eye Research, and the Club Jules Gonin.
